EDITOR: Jojo – Ho ho ho Valentine´s day

Valentine´s Day – a day of love – the day where people are trying to be polite to each other.

Hm, I´m polite everyday to all people. Do you want to know why I´m writing so late on the Valentine´s day? Hmm, I usually give the answer on the question “why” — “because” – and it´s all. But today is a good day to get the truly answer from me: the answer is, I have drunk so much beer that I´m able to write wright now.

Getting back to the Valentine´s day, I want to wish all bitches a lot of sex and a burning whole. Have you get a lot of red flowers naming roses from your posers? Do you like it? Did they smell good? Are they fresh or old like a pussy of an old grandma?

I want to introduce you the story, how Valentine´s day appears to the world: I don´t want to write a lot of shit try the wikipedia´s link – solong motherfuckers:
